

DUNRAVEN'S CHARGES.

TO BE INVESTIGATED BY THE NEW YORK YACHT CLUB TO-NIGHT.

His Full Statement Will Be Read and Evidence in Rebuttal Offered—Members Said to Be Divided as to the Line of Action Called For—Large Attendance Expected—Hearings at Hathaway May Be There

The special meeting of the New York Yacht Club called to consider the charges made by Lord Dunraven against the management of the Defender during the recent match for the America's Cup will be held this evening. Commodore Edward M. Brown will preside, and it is expected that the attendance of members generally will be the largest in the history of the club.

The well-known members who were present at the conference called by Commodore Brown last Thursday afternoon to consider a plan of procedure will be most active in shaping the action of the club this evening. They are, in addition to Commodore M. Brown, Vice-Commodore Henry C. Ward, Rear Commodore James C. Bergen, and Secretary J. V. S. Oddie, representing the officers of the club; ex-Commodore S. Nicholson, Jr., ex-Chairman, Irving Grinnell, and Chester Griswold, of the Regatta Committee; ex-Commodore James D. Smith, Chairman; A. Cass Canfield, Latham A. Fish, Gouverneur Kortright, Archibald Rogers, J. Frederick Tama, and J. R. Hark of the Cup Committee; J. Pierpont Morgan, ex-Commodore, Edward D. Morgan, Oliver Fox, Daniel I. Worden, Lloyd Phoenix, George L. Rives, Philip Schuyler, Delancey Kane, Stephen Peabody, Woodbury Kane, and Fordham Morris.

In addition to those named, many resident and out-of-town members are expected to be present, while at least a hundred spectators may come from Bristol to add their testimony. The New York Yacht Club now has over 1,500 members, of whom more than one-half are residents of this city. The remainder is made up of out-of-town and foreign yachtsmen and of officers of the United States Navy and of the merchant navy. About 350 are yacht owners, having the right to vote and to hold office. The others may attend meetings and speak upon the subject, but may not vote.

Upon the decision of the yacht owners present, therefore, will depend the result of the match.

At the conference held on Thursday afternoon it was determined to collect the evidence in rebuttal of Lord Dunraven's charges, and to have it ready to lay before the meeting in opposition to the Earl's statement, which by that time it was expected would have been made. The meeting to-night will be able to make very rapid progress in its consideration of the matter, while the United States and British yachtsmen, who will be present, will be able to make their own statements.

The circumstantial statement we publish this week from Lord Dunraven is graphic and complete, and it is expected that the Earl's statement, which will be made before the meeting, will be a full and complete statement of the facts of the case. The Earl's statement is a full and complete statement of the facts of the case, and it is expected that the Earl's statement, which will be made before the meeting, will be a full and complete statement of the facts of the case.

Acquiesce.

Lovers of aquatic sport were out in force at the New York Yacht Club to-night, and the result was the beginning of the point competition, which ends on Jan. 1 next. The points will be counted on the basis of 5 for a first, 3 for a second, and 1 for a third. Five events made up an interesting programme yesterday. The tub race, as usual, carried no end of laughter. The rowing, which was the last of all they could do to keep from being swamped.

A rather unusual feat was accomplished by W. Grace of Columbia Grammar School, who stayed under water for 39.35 seconds. He went the distance of the tank, 100 feet, then turned around and swam twenty feet before he was pulled out. In the ring contest E. M. Vandervoort did some clever diving. Summary of the results:

Tub Race, 100 feet—Won by T. B. Reynolds, E. M. Vandervoort second, M. Metzler third. Time, 44.25 seconds. Rowing, 100 feet—Won by W. Grace, 120 feet, second, 140 feet, third, 160 feet, fourth, 180 feet, fifth, 200 feet, sixth, 220 feet, seventh, 240 feet, eighth, 260 feet, ninth, 280 feet, tenth, 300 feet, eleventh, 320 feet,
